

SUPREME

Laminate doors, aluminium carcass Lockers

SUPREME OVERVIEW

SUPREME has been designed specifically for wet area use, making them ideal for leisure centres, swimming pools and spa changing rooms. A complete range of cloakroom units and benches are also available. Our 'built to last' design offers security and is backed by lock options to meet your everyday requirements.

Products are made to order, so your order gets the attention to detail it deserves. Most frequently specified options are detailed, please call for alternative or bespoke requests on **02920 859600**

SUPREME BENEFITS

- Provides a practical and cost effective alternative to more expensive stainless steel options
- Boosts security
- Ultimate durability for the harshest environments
- Optimises space
- Easy to clean and hard wearing
- Durable and strong
- Streamline aesthetics
- Also perfect for high hygiene requirements; food processing plants, dairies and Pharmaceutical industry clean areas
