INTRODUCING

EVENT. Enhance your visitor experience by providing your guests with secure storage solutions for their personal items, making it easier for them to enjoy your facility or activity without having to carry their belongings around.

EVENT
SMART, Secure Storage Solutions

EVENT OVERVIEW

EVENT Smart lockers can be used by a wide range of entertainment venues such as museums, amusement parks, lidos, trampoline parks, sports facilities, allowing your guests access to a user-friendly temporary locker, which they can easily reserve, pay for, and use via your own dedicated locker website.

Products are made to order, so your order gets the attention to detail it deserves. Most frequently specified options are detailed, please call for alternative or bespoke requests on **02920 859600**

EVENT BENEFITS

- The innovative cloud-based technology is highly reliable, secure and easy to manage and use.
- Authentication can be set up with a pass or tag, combination lock, fingerprint, pin code (via the terminal), RFID, QR- or barcode, or the mobile app.
- Users can reserve a locker beforehand or rent on-the-spot through the mobile app, online or the locker SMARTY touchscreen.
- Payment options can be integrated into a payment platform, allowing visitors to pay online beforehand or via the terminal touchscreen (cashless) at the lockers.

SOFTWARE SYSTEM

BENEFITS

- **Cost Effective** - no need to invest in software or hardware; subscription based.
- **System** - Plug and play cloud solution. Incl. Smart and connectivity ware. Standard power supply. Standard internet connection.
- **Overview & Analytics** - a Real-time digital dashboard gives an instant overview of every aspect of locker usage, as well as access to past usage statistics.
- **Fallback** - opening locker in case of power failure: manual unlocking by mechanical override. Power failure: UPS. Internet connection fallback 4G unit.
- **ROI** - generate revenue with the most versatile locker system that fits your venue and guest demographics.
- **Administration** - your system can be controlled from your PC, laptop or mobile. Set the right combination of variables depending on the size of locker, time and duration of use and price.
- **Branding** - customise the App with your business logo and colours.

### ACCESS METHODS

- QR code

ENVIRONMENTAL GRAPHICS

- With our graphics service, you can personalise your lockers with your brand's logo or enhance your locker with an attractive dynamic design.

EASY LOCKER USE FOR YOUR VISITORS, WITH QR CODE

Quick and Simple!
- Visitors simply scan the QR code: claim, reserve, open / close, leave, pay.
- Share the locker with someone by entering their email and click on the Share button
