

## PERFORATED STEEL LOCKERS

### PERFORATED STEEL OVERVIEW

Designed for use in environments where ventilation, visibility and security is required.

The construction allows quick inspection of contents without having to open the door.

The perforations allows moisture to evaporate, helping damp items to dry.

Products are made to order, so your order gets the attention to detail it deserves. Most frequently specified options are detailed, please call for alternative or bespoke requests on **02920 859600**

### PERFORATED STEEL BENEFITS

- Clear visibility of contents
- Excellent ventilation for drying of damp clothing
