

GARRAN PRODUCT WARRANTY

Lockers, bench seating, cloakroom units and all products manufactured by Garran Lockers Limited are covered by a 2 year parts warranty from the date of delivery.

This is subject to all goods and products only being subjected to normal and acceptable levels of usage, wear and tear and only being used in areas and environments that are suitable for the individual products.

All locks, hasp turn knobs and batteries are excluded from this warranty.

Locks and hasp turn knobs are covered by a 1 year parts warranty from the date of delivery.

This is subject to all goods and products only being subjected to normal and acceptable levels of usage, wear and tear and only being used in areas and environments that are suitable for the individual products.

Batteries are not covered by our warranty.
