

PROJECT

North Wales Police

North Wales Police new £21.5m state of the art, eco-friendly Command and Custody Facility. Having worked with major Police Forces across the UK, GARRAN was approached to provide storage lockers for staff and bespoke charging lockers.

Great to see our recent installation of over 200No. lockers in the 8,600m² building providing facilities for over 248 police officers and staff - our products look amazing!
