

## PROJECT

### The Dorchester

Another successful GARRAN Project at The Dorchester, ultimate luxury, one of London's most iconic 5-star hotels. We manufactured a series of high security lockers for the 300 staff - providing a user friendly, contactless RFID locking system.

We are here to help, if you require contactless lockers of the highest quality and reliability contact us today [projects@garran-workspaces.co.uk](mailto:projects@garran-workspaces.co.uk)
