GARRAN PROJECT SPORT

TOTTENHAM HOTSPUR FOOTBALL CLUB

As industry specialists and having supplied lockers to Tottenham in the past, we were engaged by Base Contracts & F3 Architects to take on this multi-million-pound project and deliver what is one of the greatest first team changing facilities in the world.

PRODUCTS

First Team: Custom lockers with fully independent media screens and LED lighting. Concealed velvet lined valuables storage, aircharge wireless charging, ventilated boot storage, upholstered seating.

First Team Coaches: Lockers with custom copper fittings, concealed velvet lined valuables storage, aircharge wireless charging, ventilated boot storage, upholstered seating.

Myddleton Lodge Training Ground: Bespoke lockers, full charging facility, velvet lined valuables storage, team colours.

NFL CHANGING ROOM

Tasked with providing lockers robust enough to withstand a full NFL team in game mode and aesthetically pleasing enough to be included in the Tottenham Stadium Tour, we brought the dream to life in what is probably the best American Football facility outside the USA.

PRODUCTS

Home & Away Teams: Huge custom lockers with helmet & pad storage, ventilated boot storage, chair storage, bespoke NFL logo engraved into each Corian drawer front, concealed valuables storage, full charging facility, fully controllable LED lighting system.

Coaches & Head Coaches: Custom lockers with ample storage, ventilated boot storage, bespoke NFL logo engraved into each Corian drawer front, concealed valuables storage, full charging facility, fully controllable LED lighting system.

CHELSEA FOOTBALL CLUB STAMFORD BRIDGE 1ST TEAM, OFFICIALS ROOM & COBHAM TRAINING GROUND

As a long-standing supplier to Chelsea FC, we have supplied lockers for Stamford Bridge First Team and Officials room, as well as the world class Cobham training facility.

PRODUCTS

First Team: Custom timber lockers with valuables storage, boot storage, towel storage, inbuilt seating.

Officials Room: Custom lockers with valuables storage, full charging facility, truly bespoke doors with the Laws of football engraved into black through coloured panels in all of the core languages of UEFA.

Cobham Training Facility: Bespoke lockers, full charging facility. Coaches and Staff Lockers.

ELITE PERFORMANCE AND INNOVATION CENTRE

Wasps Rugby Club:

Henley-in-Arden Training Hub: Bespoke lockers, full charging facility, valuables storage, upholstered seating, privacy panels, boot storage.

Birmingham City Football Club:

Elite Performance and Innovation Centre: Adapted room layout to suit football requirement with the removal of lockers and supply of a new custom designed island unit.
